were 18. Then she began to work as a full time doctor.

Question 7: How important are grades/GPA for obtaining a job  
in this field?

Response: It was different for her because she came  
from Mexico and got her BH after her  
years in Mexico. Once she came to CA. She kept  
her good grades and learned more, which helped her  
in her job.

Question 8: How did you get started in this field?

Response: Since she was six years-old she loved  
helping people feel better. Her mom would take her  
to clinics and she loved to see how the doctors worked.

Question 9: What is the most challenging part of your job?

Response: When she realizes her patients have  
Cancer and she sees them cry in her  
arms. She hates the feeling because she  
can't do anything to help.

Question 10: What opportunities for advancement are there for this field?

Response: You can become a doctor at any hospital but it is a lot of work. You have to be aware of everyone they assign you.  
She loves her clinic because she can get to know her patients and is able to help them more and better.
